"HEALTH FOR ALL"
by Mountain Ghost

Freedom born family raised
Learn of good heart be praised
Strive to live by nature's laws
Give of self just because

I hear our founding fathers soaring tall
Veterans brave who've faced the fall
From streets to farms to factory walls
A national call
Health for all . . . Health for all
Health for all
Health for all . . . Health for all
Health for all . . . Health for all

Trials of now wounds of old
Bring all pain in from the cold
No more talk no more wait
No ticket takers at the gate

(Chorus)

From my heart to yours
Straight care and respect
From my hand to yours
All healing direct
From my heart to yours
No rules in the way
From my hand to yours
One perfect life day

(Chorus)
